- Complaint filed with OIJ
- Guest car's windows open – light on
- Closing laundry storage rooms during security guard rounds as a crime prevention measure
- Fall incident in common area
- Worker incident: Iguana bite during cleaning duties.

ACHIEVEMENTS OF THE YEAR

- Reduction of unnecessary expenses and improved supply control.
- Since November 16, 2025, we have been using the municipal service for garbage collection. With the gardeners, we take the trash out to the street every Friday. We no longer use the private hauling service, and with this, we will save a bit for the 2026 budget, \$2,191.64 compared to the 2025 expenses.
- Implementation of daily occupancy reports to improve teamwork with concierge and administration.
- Implemented a book for pool maintenance and the use of products.
- Improved fee collection.
- Notable projects: installation of new metal trash enclosure and metal stairs for pool access.
- Creation of new spaces and gardens / landscaping .
- Inventory control of tools and assets.
- Savings of reserve funds for employee social security contributions (March 1 to December 31, 2025). \$ 1,128.92
- We installed 4 security cameras at the 4 main entrances of the common area.

CHALLENGES AND RISKS FOR 2026

- Aging infrastructure (security booth and front wall by El Oasis sign).
- Raccoon access to storage areas, affecting paints, dyes, refrigerator, and tools.
- Worker salary increase effective January 2026 (1.63%).
- Increase in employer-employee social security contributions (IVM).
- U.S. dollar exchange rate fluctuations.
